

Instructions for acquiring OP/TECH USA images online:

Step #1 In your web browser, enter the following address:
<http://images.optechusa.com/>
Please note that there is **no** "www" in the address.

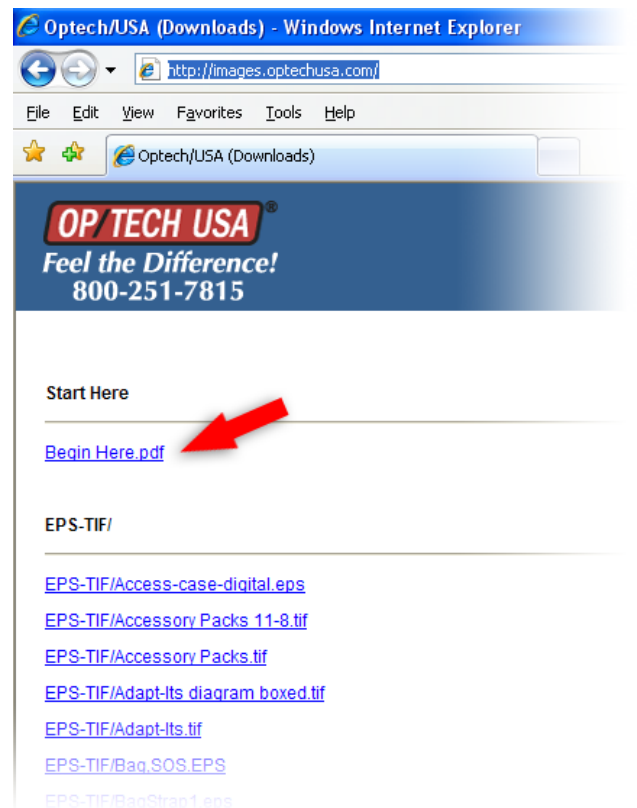

Step #2 When prompted, enter the following information:
User Name: **Neoprene**
Password: **Images007**
Please note that these are case-sensitive fields.

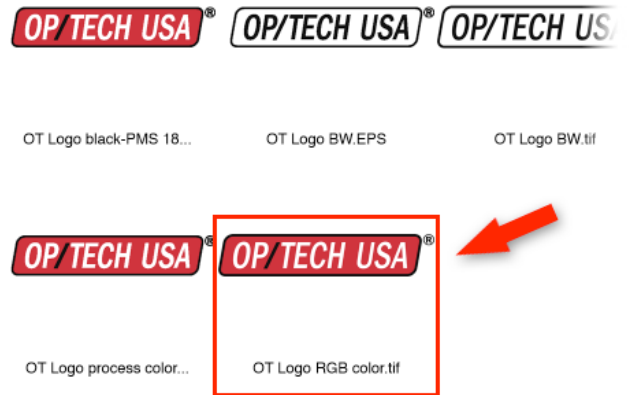

Step #3 This takes you to the site where you can download all the current OP/TECH USA product images, logos, diagrams and more.

To choose the images to download, locate the file named "Begin Here.pdf". Click on this link to open or download this pdf file which contains thumbnail versions of all the images on the site. You may wish to print out a copy of this document to keep for handy reference.

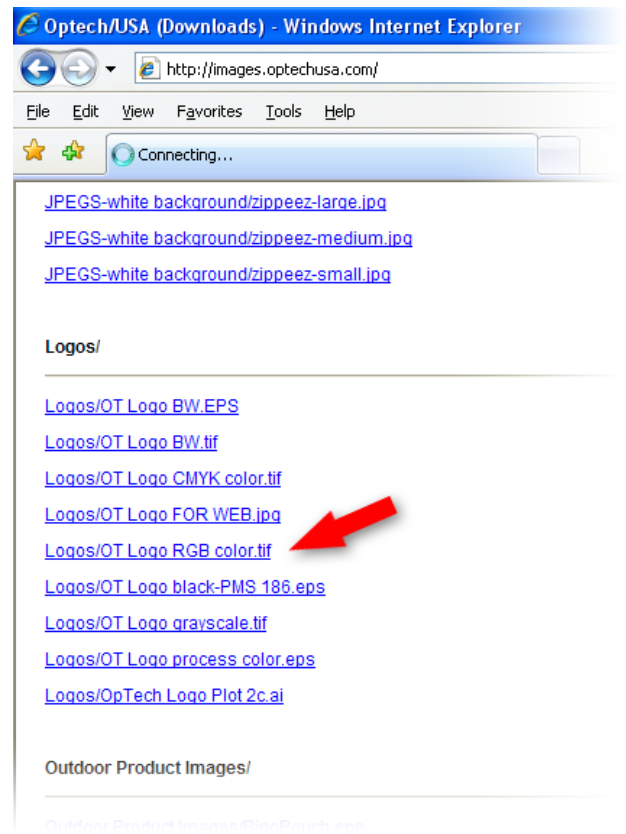

(continued on back)

Step #4 The images are listed in several categories as noted in the pdf document. Find the image you need and note its name.

Step #5 Return to the site and you'll notice that the images are listed in the same categories listed in the pdf document. Locate the corresponding category and file name.

Step #6 Click on the file name to download the image.
